- Building AI Agents & Copilots
- Agents & Copilots in Biz Apps
- Data Readiness Frameworks
- Access Control & Governance

As our organization works to understand the opportunities, impact, and outcomes possible with AI Agents & Copilot solutions from Microsoft, I have the opportunity to attend the [AI Agent & Copilot Summit](#) in San Diego from March 17-19 at the Torrey Pines Hilton, for a two-and-a-half-day conference featuring Microsoft leadership, business & technology peers, Microsoft AI & Copilot MVPs, and potential partners we can work with in the future.

The details are outlined below, and the event producer, Dynamic Communities, is the same company that produces Community Summit North America, that largest innovation, education, and training event for Microsoft business applications.

- **When:** March 17-19, 2025
- **Where:** Torrey Pines Hilton, La Jolla, San Diego
- **Speakers:** 50+ AI experts including Microsoft executives, business & technology leaders pioneering AI projects, academia, best-selling authors and more
- **Agenda:** 65+ sessions on the Main Stage and through Masterclass Breakout Sessions taking place both afternoons on:
 - Building Agents & Copilots in Copilot Studio & Azure AI Foundry
 - AI Data Readiness & Modernization
 - Using Agents & Copilots in D365 Business Central
 - Using Agents & Copilots in D365 F&O/SCM
 - Using Agents & Copilots in Power Platform
 - Using Agents & Copilots in M365 & Modern Work
 - Responsible AI & Cybersecurity

It costs \$1199 to attend the event, but the [All-Access Pass](#) covers a lot of expenses we would otherwise have to pay for out of pocket, including:

- Access to all sessions across the agenda
- All meals throughout the event
- Receptions and Networking events
- Access to video recordings from all sessions following the event

Please let me know if I can attend this very timely and important event, as prices will go up for the All-Access pass and I want to get the best deal possible for our company.
