Dear Potential AI Agent & Copilot Attendee,

As organizations move from interest and curiosity about AI to investments, deployment, and production, the AI Agent & Copilot Summit in San Diego from March 17-19 at the Torrey Pines Hilton, will deliver a two-and-a-half-day executive conference featuring Microsoft leadership, business & technology peers, Microsoft MVPs, and partners defining the opportunities, impact, and outcomes possible with Microsoft Agents & Copilot.

Dynamic Communities, the company that produces Community Summit North America, that largest innovation, education, and training event for Microsoft AI business solutions, is proud to work with an AI expert programming committee board of C-level executive buyers and users, Microsoft leaders, MVPs, and partners to bring the AI Agent & Copilot Summit back to San Diego for a second year.
